NOTES:

- Note 1:** This flowchart provides a snapshot of the Award Phase in the AM&S Contracting Process. This is only a guide in defining when in the process these tasks normally occur - the exact location in the contracting cycle for each item is somewhat flexible depending on program/contracting action dynamics. A detailed analysis of each event in the Planning Phase can be viewed by clicking on the appropriate event.
- Note 2:** The Official Contracting Process is defined in the CPPM.
- Note 3:** Please refer to the governing directives for official guidance.
